

ASHRAE

Hawaii Chapter

American Society of Heating, Refrigerating and Air-Conditioning Engineers, Inc.

Aloha ASHRAE Prospective Member,

Thank you for interest in ASHRAE.

You must be aware of ASHRAE's pre-eminent position with respect to the accumulation and dissemination of technical information in the heating, refrigerating, air-conditioning and ventilating industries.

The ASHRAE HANDBOOK series, including FUNDAMENTALS, Handbook CD and other electronic transferred information provides the best and most comprehensive coverage of these subjects currently available. The monthly ASHRAE JOURNAL and INSIGHTS, along with the TRANSACTIONS and STANDARDS, further enhance ASHRAE's status as an information source.

In addition, and perhaps even more important, membership in ASHRAE will place you among the leaders in the industry.

Association on a local, national and international basis with your fellow practitioners of the ASHRAE technologies cannot fail to benefit you. You can obtain information about our local chapter's recent news and activities at: www.hawaii.ashraechapters.org website.

The Hawaii Chapter will "welcome you aboard" and I consider it a distinct pleasure to extend to you this invitation to membership. Towards that end, we will provide you with two free movie tickets as a token of our appreciation.

You may obtain an application form from the Society's website at <http://www.ashrae.org/members/page/589>. If you need further questions, please contact me at zminbao@yahoo.com or call me at 808-521-3773.

Yours very truly,

Min Zhong
